DAON LAB Liver Care Milk Thistle

Once-daily milk thistle tablet for everyday liver health

Product code: DL-MT-01 | Version 1.0 | Issued 9 October 2026

> Fictional product created for a live-commerce AI demo. DAON LAB is not a real brand. All prices, ingredient amounts and test results are illustrative.

1. Product overview

Liver Care Milk Thistle is a health supplement tablet with milk thistle extract. One tablet a day gives 130 mg of silymarin, the standardised component of milk thistle. It is made for adults who want to support their liver health as part of a balanced diet and lifestyle.

The tablet also contains vitamin B1, B2 and B6. It contains no added sugar, no artificial colours and no ingredients of animal origin. It is a health supplement, not a medicine.

2. Key facts

Item	Detail

3. Key ingredients

Ingredient	Amount per tablet	Purpose in formula
Milk thistle extract (Silybum marianum, fruit)	260 mg	Source of silymarin
Silymarin (from the extract)	130 mg	Standardised component of milk thistle
Vitamin B1 (thiamine)	1.2 mg	Vitamin that supports normal energy metabolism
Vitamin B2 (riboflavin)	1.4 mg	Vitamin that supports normal energy metabolism
Vitamin B6 (pyridoxine)	1.5 mg	Vitamin that supports normal protein metabolism

Other ingredients: microcrystalline cellulose, hydroxypropyl methylcellulose (coating), magnesium stearate (plant source). The full ingredient list is printed on the bottle label.

4. How to take

1. Take 1 tablet once a day with a glass of water.
2. Take it after a meal, at about the same time each day.
3. Do not take more than 1 tablet a day. More is not better.
4. It can be taken together with Omega-3 1000.

5. Quality tests and user survey

Quality tests are run on every production batch by an external laboratory. The user survey is an in-house survey of 30 adults aged 25 to 59 who took 1 tablet a day for 4 weeks. The survey asked about the tablet itself, not about health effects.

Measure	Result
Silymarin per tablet (HPLC, 3 batches)	130 mg, within plus or minus 10% in every batch
Heavy metals (lead, cadmium, mercury, arsenic)	Within the limits for health supplements in every batch
Microbial contamination	Within the limits in every batch
Survey: "the tablet is easy to swallow"	28 of 30 (93%)
Survey: "I had no stomach discomfort"	27 of 30 (90%)

The tests show what is in the tablet. They are not clinical trials, and they do not show that the product treats, cures or prevents any disease.

6. Cautions

- This product is a health supplement. It is not a medicine and is not intended to diagnose, treat, cure or prevent any disease.

- Do not use it in place of a varied diet, a healthy lifestyle or medical treatment.
- If you have a liver condition or any other medical condition, or you take medicine regularly, consult your doctor or pharmacist before use.
- Pregnancy and breastfeeding: the product has not been tested on pregnant or breastfeeding women. Consult your doctor before use.
- Not for children or anyone under 19.
- Do not take it if you are allergic to milk thistle or to plants of the daisy family (ragweed, chrysanthemum, marigold, daisy).
- Stop taking it and consult a doctor if you get a rash, itching, stomach upset or diarrhoea that does not go away.
- Do not exceed the stated daily amount.
- Keep out of reach of children. Store below 25°C in a dry place, away from direct sunlight. Keep the cap tightly closed.

7. Approved on-air claims

Hosts may use the following wording. It must stay a statement about supporting or maintaining normal health.

- Helps maintain healthy liver function.
- Supports liver health as part of a balanced diet and lifestyle.
- 130 mg of silymarin from milk thistle in one tablet a day.
- With vitamins B1, B2 and B6.
- One small tablet, once a day.
- Suitable for vegetarians and vegans. No added sugar and no artificial colours.
- Every batch is tested for silymarin content and for heavy metals.

Claims not approved for this product

- Treats, cures, reverses or prevents any liver disease: fatty liver, hepatitis, liver cirrhosis, liver inflammation.
- Repairs, regenerates, cleanses or detoxes the liver, or lowers liver enzyme levels.
- Prevents or cures a hangover, or makes it safe to drink more alcohol.
- "Clinically proven" or "proven by clinical trials". The product tests are quality tests, not clinical trials.
- No side effects, 100% safe, safe for everyone, or safe because it is natural.
- Works like a medicine, replaces a medicine, or means you do not need to see a doctor.
- Guaranteed results, or results for everyone.
- Recommended or endorsed by doctors or pharmacists.
- Comparative or superlative claims, such as "the best liver supplement in Singapore".
